SECTION I CONTRACT CLAUSES

09RA 52.217-9 Option to Extend the Term of the Contract. (Mar 2008)

(a) The Government may extend the term of this contract by written notice to the Contractor within 30

days prior to completion of the base period; provided that the Government gives the Contractor a

preliminary written notice of its intent to extend at least 60 days before the contract expires. The preliminary notice does not commit the Government to an extension.

(b) If the Government exercises this option, the extended contract shall be considered to include this

option clause.

(c) The total duration of this contract, including the exercise of any options under this clause, shall not

exceed five years.

(End of clause)

52.217-5 Evaluation of Options. (Jul 1990)

Except when it is determined in accordance with FAR 17.206(b) not to be in the Government's best

interests, the Government will evaluate offers for award purposes by adding the total price for all options

to the total price for the basic requirement. Evaluation of options will not obligate the Government to

exercise the option(s).

| CONTRACT NO. N00178-10-D-6133 | DELIVERY ORDER NO. MU62 | PAGE 16 of 48 | FINAL |
|----------------------------------|----------------------------|------------------|-------|

(a) *General.* The Government has the option to —

(1) Increase the quantity of supplies or services called for under this contract by no more than 20 percent;

and/or

(2) Accelerate the rate of delivery called for under this contract, at a price or cost established before

contract award or to be established by negotiation as provided in this clause.

(b) *Schedule.*

(1) When the Production Surge Plan (DI-MGMT-80969) is included in the contract, the option delivery

schedule shall be the production rate provided with the Plan. If the Plan was negotiated before contract

award, then the negotiated schedule shall be used.

(2) If there is no Production Surge Plan in the contract, the Contractor shall, within 30 days from the date

of award, furnish the Contracting Officer a delivery schedule showing the maximum sustainable rate of

delivery for items in this contract. This delivery schedule shall provide acceleration by month up to the

maximum sustainable rate of delivery achievable within the Contractor's existing facilities, equipment,

and subcontracting structure.

(3) The Contractor shall not revise the option delivery schedule without approval from the Contracting

Officer.

(c) *Exercise of option.*

(1) The Contracting Officer may exercise this option at any time before acceptance by the Government of

the final scheduled delivery.

|----------------------------------|----------------------------|------------------|-------|

(2) The Contracting Officer will provide a preliminary oral or written notice to the Contractor stating the

quantities to be added or accelerated under the terms of this clause, followed by a contract modification

incorporating the transmitted information and instructions. The notice and modification will establish a

not-to-exceed price equal to the highest contract unit price or cost of the added or accelerated items as of

the date of the notice.

(3) The Contractor will not be required to deliver at a rate greater than the maximum sustainable delivery

rate under paragraph (b)(2) of this clause, nor will the exercise of this option extend delivery more than

24 months beyond the scheduled final delivery.

(d) *Price negotiation.*

(1) Unless the option cost or price was previously agreed upon, the Contractor shall, within 30 days from

the date of option exercise, submit to the Contracting Officer a cost or price proposal (including a cost

breakdown) for the added or accelerated items.

(2) Failure to agree on a cost or price in negotiations resulting from the exercise of this option shall

constitute a dispute concerning a question of fact within the meaning of the Disputes clause of this

contract. However, nothing in this clause shall excuse the Contractor from proceeding with the performance of the contract, as modified, while any resulting claim is being settled.

(k) The Contractor shall conduct activities under this clause in accordance with applicable laws and

regulations on the interception, monitoring, access, use, and disclosure of electronic communications and

data.

(l) *Other safeguarding or reporting requirements.* The safeguarding and cyber incident reporting required

“Contractors authorized to accompany the Force,” or “CAAF,” means contractor personnel, including all

tiers of subcontractor personnel, who are authorized to accompany U.S. Armed Forces in applicable

operations and have been afforded CAAF status through a letter of authorization. CAAF generally include

all U.S. citizen n and third-country national employees not normally residing within the operational area

whose area of performance is in the direct vicinity of U.S. Armed Forces and who routinely are collocated

with the U.S. Armed Forces (especially in non-permissive environments). Personnel collocated with U.S.

Armed Forces shall be afforded CAAF status through a letter of authorization. In some cases, Combatant

Commander subordinate commanders may designate mission-essential host nation or local national

contractor employees (e.g., interpreters) as CAAF. CAAF includes contractors previously identified as

contractors deploying with the U.S. Armed Forces. CAAF status does not apply to contractor personnel in

“Designated operational area” means a geographic area designated by the combatant commander or

subordinate joint force commander for the conduct or support of specified military operations.

“Designated reception site” means the designated place for the reception, staging, integration, and onward

movement of contractors deploying during a contingency. The designated reception site includes assigned

joint reception centers and other Service or private reception sites.

“Law of war” means that part of international law that regulates the conduct of armed hostilities. The law

of war encompasses all international law for the conduct of hostilities binding on the United States or its

individual citizens, including treaties and international agreements to which the United States is a party,

and applicable customary international law.

“Non-CAAF” means personnel who are not designated as CAAF, such as local national (LN) employees

and non-LN employees who are permanent residents in the operational area or third-country nationals not

routinely residing with U.S. Armed Forces (and third-country national expatriates who are permanent

residents in the operational area) who perform support functions away from the close proximity of, and do

not reside with, U.S. Armed Forces. Government-furnished support to non-CAAF is typically limited to

force protection, emergency medical care, and basic human needs (e.g., bottled water, latrine facilities,

security, and food when necessary) when performing their jobs in the direct vicinity of U.S. Armed

within the boundaries and territories of the United States.

“Subordinate joint force commander” means a sub-unified commander or joint task force commander.

(b) *General.*
