

FOR IMMEDIATE RELEASE

**KINGFISHER SYSTEMS, INC. SELECTED AS A
TOP-PERFORMING SMALL TECHNOLOGY COMPANY IN GREATER D.C.**

FALLS CHURCH, VA, August 27, 2021. The *Washington Business Journal* selected Kingfisher Systems, Inc. (Kingfisher) as #23 on their list of **Top-Performing Small Technology Companies in Greater D.C.** Founded in 2005, Kingfisher is Small Business with dedicated and driven personnel who provide Cybersecurity, Enterprise Information Technology, Artificial Intelligence, Machine Learning, and National Security services to the United States Government.

“This acknowledgment of our performance by the *Washington Business Journal* is a direct reflection of Kingfisher’s top priority to serve our Customers and Employees alike with a deep corporate commitment to values, service, and personal attention,” said Kingfisher Chief Executive Officer, Roy L. Reed, Jr.

Our 16 years of experience in delivering unequalled technical solutions and unparalleled operational support accelerates and transforms how our Customers approach their most challenging problems by leveraging the best people, processes, and pioneering technology. “With this industry recognition, we will continue to strive daily to provide advanced services and support to our current and future Customers driving innovation and providing solutions to protect the information that keeps our country safe,” said Mr. Reed.
